

“CLASS”

By: Bill Olson, Omaha, NE

“Show me a little Class!” “That’s Bush, take a seat!” “Hey Ump, you blew it!” We have heard them and many more. As players, coaches, and spectators, we all need to address this issue.

CLASS IS...

- Being a positive role model and example to others
- Accepting the responsibility of passing on to other the “Right Way”
- Remembering and honoring all those who paved the way for you
- Defeating an inferior opponent without embarrassing him
- Accepting that sometimes your opponent will play better than you
- Telling an opponent “Nice Job”
- Winning with humility while maintaining your dignity in defeat
- Being courteous to all players-opponents-spectators
- Treating all members of your team with respect
- Never quitting
- Respecting your opponents by being prepared
- Thinking before you say something “stupid”
- Treating all like you want to be treated
- Your appearance- How you dress and how you react

So in essence we will always have class,

We will win with class

We will lose with class

YOU ARE NOTHING WITHOUT CLASS
